## RULES & REGULATIONS

**Age:** All dogs must be 4 months of age or older-- so about 3 dog years.

**Sex:** All dogs over the age of 6 months must be spayed or neutered, this is for the safety of your dogs and the other dogs--lets face it, dogs can go crazy when in heat and no one wants any baby momma drama.

**Health:** All dogs must be in good health and must not have been ill with a communicable condition within the last 30 days. All dogs must be on a flea prevention program. It is the responsibility of the owners to let staff know of any possible health issues, this is for the safety of the other dogs. Rest assured-- we're just as protective of your pet as we are the others.

**Behavior:** All dogs must be non-aggressive. Please be sure to let staff know if they are food or toy protective-- this does not necessarily mean they will not be allowed into the center (this will really depend on how much special attention they need because of it). Also, please let staff know if they have any excessive barking issues at home and if you are aware of any things that trigger it. Also, remember we offer fantastic training services that can help you get any behavior issue under control, just pull up a chair and talk to one of the counselors about the issues and we can help you towards a solution.
